Contact your Wellness Advocate for information on available machines in your local area.

Our Products

Customized Menus – We make it easy for you!

Our Product and Nutrition Department will create a specialized menu for your community using nationally-recognized brands. Following market trends, we recommend the best-selling and most delicious products – ensuring you love the selection provided.

Our nutritionists on staff make certain that every product in your machine will meet any nutritional guideline or restriction.

How Our Program Works

Determine Your Needs

Tecnogreen Healthy Vending works with you to determine your current food options, what you need, and what your community will enjoy.

Recommendations

Based on what we determine together, we will provide recommendations on what we can provide your office based on your community unique needs.

Appointment

We schedule an appointment with you. At that time any additional questions about our program can be answered and locations for the vending machine(s) within the facility will be determined.

An array of natural and organic product samples will be provided to show you how delicious healthy can be.

Reservation Form

This is a non-binding contract that reserves the machine(s) for your facility. Your contract can be terminated at any time with absolutely no fees to your location. Once the Reservation Form is signed by you and Tecnogreen Healthy Vending, the machine(s) will be reserved for your location and delivery will be coordinated.

Enjoy

Your staff enjoys easy access to healthy, delicious, convenient snacks and beverages!

Reserve Your Machine Today!

Contact your Wellness Advocate to reserve your FREE healthy vending machine.
